

Blin

The best window coverings in BC

BY DAVID CHO

www.thebli

Welcome

Thank you for considering Theblinds Window covering design.

We provide trusted, fashionable, expert Korean blinds to you

For over 5 years, we have brought top-quality Korean window covering designs to Canadian homes.

Our expert team provides customers with the placement and design of window coverings all over BC. We can add a special Korean touch to any project big or small. Let our masters transform your home into your dream today only by changing blinds.

Our Principles

Beauty

All our designs combine the the important aspect of Korean design in order to create a new home atmosphere.

Renowned for simplicity and minimalism, Korean styles are flawless and elegant. We aim to bring this to your house through our earthy colours and powerful craftsmanship.

Functionality

Along with beauty, all Northern Theblinds-designed products bring about a robust and functional space by expert window treatment

Every window in your house will be clean and decluttered, yet wholly liveable. Perfect for any size window, you will never have to choose function or beauty again.

Made in Korea

Factory directed

Our blinds are designed and made in Korea. We have it delivered directly from the factory guaranteeing 10 business days from order to installation not to mention great quality.

Our Team

Your High Calibre Experts

Ultimately the quality of your service offering is predicated on your people. Great teams do great work. Simple as that. And clients know it. There is also value in putting a face to your proposal, of matching the offering to the human beings who will implement it.

JAY JEONG

CEO @ THEBLINDS

JAY, our CEO, will be leading and marshalling the team to deliver the project on time and on budget. He is a former construction manager, an expert softball player, and last year was MVP player of Korean softball league in Vancouver.

DAVID CHO

DIRECTOR @ THEBLINDS

Our DAVID will be managing and training our sales & marketing associates to let staffs assess customer needs and provide appropriate recommendations and solutions. He is a great soccer player who reminds people of Lionel Messi with fast and accurate decision.
